

MUNIR HUSSAIN

munirkamboh005@gmail.com | +92 347 7121421 | Arifwala, Punjab

SUMMARY

I can build responsive, user-friendly, and interactive web interfaces that work smoothly across desktop and mobile devices. I can turn ideas and designs into functional frontend experiences, develop interactive features, solve UI-related problems, and improve website usability and performance. I am looking for a Frontend Development Internship where I can contribute to real-world projects, gain professional development experience, learn from an experienced team, and grow my skills through practical work.
